

Bawdsey Radar Trust

Are you the kind of person who enjoys spread sheets, balance sheets and making money behave itself?

Do you get a thrill from a perfectly reconciled bank statement?

Do you enjoy responsibility, respect and gratitude more than actual payment?

Congratulations!

You might be the next **Treasurer of the Bawdsey Radar Trust**

We are a friendly and successful charity. We run a museum at Bawdsey and our object is to tell the story of the development of radar. Our museum. is on the site of the first fully operational radar station in the World.

We need a Treasurer to help us continue to keep our finances tidy, transparent and legal. You will oversee budgets, track income and

spending and make sure we can continue to do our main and important job without becoming an episode of *Rogue Traders*.

- The support of a fantastically experienced bookkeeper
- Maximum appreciation
- A real impact in helping us tell the story of this important piece of world history and scientific development
- A respected role on the charity's leadership team
